Central Turf & Irrigation Supply Continues Expansion, Opens Third Location in Illinois

Central Turf & Irrigation Supply opens in Wheeling, IL near Chicago

Elmsford, NY, August 10, 2021 – Central Turf & Irrigation Supply, a leading North American customer-focused wholesale distributor of irrigation and landscape supplies, announces the opening of their third location in Illinois, near Chicago.

The new Wheeling location—the third convenient location in the Chicagoland area—will offer local industry professionals a large fully stocked warehouse with products from leading manufacturers, an easy-loading entrance, access to category experts, and resources for business success. A Grand Opening event will be held on August 12, 2021, to commemorate the new branch and give green industry contractors the opportunity to tour the branch and meet the local team.

“Our goal is to help our customers grow their businesses with solutions across irrigation, landscape, and more,” said Bernardo Luciano, President of Central Turf & Irrigation Supply. “As a former contractor, I understand the importance of being able to get the product you need, when you need it. That’s why each of our warehouses are fully stocked with the products specific to that location’s customers’ needs. We are excited to be able to serve and support new and existing customers in the Chicago area.”

Central continues its mission to be a steward to the green industry with its focus and commitment to the landscape professional through partnership, training, and support services. This new location will provide local green industry professionals with valuable resources for their business needs.
