- » Green color indicator
- » Encapsulated with liquid ice ban
- » Reduced chlorides
- » Requires fewer applications than rock salt

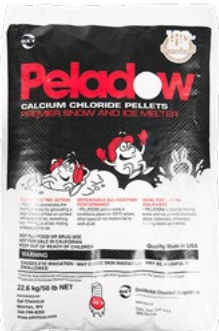

MAGNESIUM CHLORIDE PELLET (MAG)

-15°F

- » Safer for the environment
- » Safer on concrete and vegetation (when used correctly)
- » Does not track

CALCIUM PRODUCTS

PELADOW

-25°F

- » Contains 90% calcium chloride
- » Penetrates ice up to 3 times faster
- » Performs in extreme winter conditions

EXCEL 50

-25°F

- » Melts upon impact
- » Odorless and colorless
- » Leaves no residue
- » Less damaging to concrete
- » Safer on vegetation

CALCIUM CHLORIDE CRYSTALS

WITH EXTENDERS

-25°F

- » Fast acting, long lasting
- » Increased traction control
- » Extended shelf life

ROCK & BULK SALT

ICE PATROL

TRIPLE SCREENED
SODIUM CHLORIDE

- » Flows freely through commercial spreaders
- » Contains anti-clumping agents

ROCK SALT / BULK SALT TREATED & REGULAR

- » A reliable recommendation for winter road deicing
- » Anti-caking agent to help resist caking and prevent clumping

SNOW REMOVAL

MAMMOTH 850

- » Stand-On Snow Removal Machine
- » Multi-attachments priced separately

28" POWER BRUSH

- » All-Season Bristles
- » Pivoting brush head
- » Height adjustment system
- » Model: 921056

DELUXE 30"

- » 2 Stage

CLASSIC 24"

- » 2 Stage

21" PATH PRO

- » 1 Stage

SNOW REMOVAL ATTACHMENTS

INCREASE CREW PRODUCTIVITY ON UPCOMING JOBS!

TORO

SNOW THROWER STAGE 2

35 attachments available

4' OR 5' BOSS PLOW

BUCKET ATTACHMENTS

SHOVELS & HYBRID SPREADER

18" & 24" HYBRID & PUSHER SNOW SHOVELS

SN80032 SN80052

CENTRAL FERTILIZER AND SALT SPREADER

- » Stainless Steel Frame
- » Winter Slider
- » Spider Agitation System
- » Safety Lights
- » 3-Year Warranty

SNOW RHINO

- » Stand-on
- » Zero-turn track drive

OREC

SALT SPREADERS & LIQUID SPRAYERS

SALT SPREADERS

► WALK-BEHIND BROADCAST SPREADERS

► WALK-BEHIND DROP SPREADER

► TAILGATE PRO 1075

► V-PRO™ 32300 & 32600

LIQUID SPRAYERS

► ACCUSPRAY™ VSS-2000 | VSS-3000

Designed specifically for brine applications, these truck-mounted sprayers are quiet, easy to maintain and ideal for most off-road applications. These fully electric-powered units help contractors reduce salt usage while increasing their level of service.

► WALK-BEHIND SPRAYERS

SnowEx® push sprayers are completely electric-powered with the ability to spray brine through the spot spraying wand or front boomless nozzle.

BRINE MAKERS

► BRINE MADE EASY

- » 300 gallon to 1650 gallon
- » Available as truck mounted, tail-gated mounted, or sidewalk pull-behind sprayers

LIQUID ICE MELT

► LIQUID SNOW SHOVEL

- » Effective to -25F
- » 70% less corrosive than rock salt
- » Available in 2.5, 5, 55, or 275 gallon
- » More cost effective than granular products
- » Residual effects will aid in the future snowfall
