

EC GROW

# TURF & AGRONOMICS TRAINING DAY

Wednesday, February 18, 2026

9:00am – 12:30pm

LUNCH WILL BE SERVED AFTER PRESENTATION

Instructor: Nate Mezera, Agronomist Specialist / EC Grow Fertilizer / Upper Midwest Sales

## Event Location:

Eagan Community Center

1501 Central Parkway, Eagan MN 55121

## Agenda:

- » **Industry Update(s)**; where we've been and what the future holds
- » **Labor Efficient Programs**
- » Know what you're getting in the bag!!
- » Introducing **The EPEC Controlled Nitrogen Program**, for anyone in the green industry big or small. Futuristic programs developed to reduce labor as well as our carbon footprint. You really do not want to miss this class!
