NEW PRODUCTS AT CENTRAL

NEW SOLUBLE FERTILIZER CONCENTRATES

SAVE TIME & MONEY!

A premium combination product that can be dissolved in water and applied as a nutrient solution. Breaks down immediately to the leaves and roots of plants.

- » **ESTABLISHED TURF:** Use 5 pounds of product to treat 5,000 square feet of lawn area.
- » **TREES & SHRUBS:** Apply as foliar or root feeding. Use when actively growing and not while under moisture, insect, or disease stress.
- » **ANNUAL BEDDING PLANTS:** Mix 1 cup in 20 gallons of water for drench irrigation after establishment. Repeat every 10-14 days or as needed.
- » **POTTED PLANTS:** Use one tablespoon per gallon of water. Use this solution in place of normal watering every two weeks.

COMING IN 2026 MILWAUKEE TOOLS!!!

ASK YOUR LOCAL REP TODAY

Central Pro Supply is thrilled to announce our partnership with Milwaukee Tools. At Central we work hard to bring you the best equipment in the market so you can focus on increasing your revenue, controlling your costs, and reducing your risks.

Since 1924 Milwaukee Tool has led the industry in developing innovative solutions that deliver increased productivity and unmatched durability for professional construction users. Milwaukee knows professionals work in some of the most difficult environments, which is why they deliver the industry's most extensive range of high-output lighting designed to adapt, perform, and survive the jobsite.
